CONTRIBUTING FACTORS

Suspect Barajas was involved in an earlier double murder several blocks away from the location of this shooting. Deputy personnel were contacted by an eyewitness to those murders and advised that the suspect was armed with a 9MM handgun, which was wrapped in a white cloth around the suspect's right hand, and from which he had fired numerous rounds. Deputies confronted the suspect on the front porch of the location and after numerous attempts to get the suspect to surrender, the suspect pointed his right cloth wrapped hand at the deputies. The deputies acting on the eyewitness' information and being in fear of their lives, fired several rounds at the suspect. The suspect was struck one time in the head and subsequently died as a result of this injury.
